The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ACCEPTANCE AND APPROVAL OF ESTIMATED FISCAL YEAR (FY) 2007-08
WORKFORCE INVESTMENT ACT (WIA) RAPID RESPONSE (RR)
FUNDS TO THE REGIONAL WORKFORCE GROUPS (RWG)
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Community and Senior Services (CSS), or designee, to accept up to \$974,830 in FY 2007-08 Workforce Investment Act (WIA) Rapid Response (RR) funds from the State of California Employment Development Department (EDD) for the administration and delivery of RR services to businesses and workers facing downsizing, layoffs and plant closures.
2. Authorize the Director of CSS, or designee, to accept funding augmentations or reductions from EDD, up to 20% of the original allocation, provided that CSS notifies the Board of Supervisors and the Chief Administrative Office (CAO) in writing within ten days of acceptance of funds.

3. Delegate authority to the Director of CSS, or designee, to allocate up to a total of \$564,830, to the five (5) five Regional Workforce Groups (RWGs) listed on Attachment A, for the provision of the WIA RR services for the period July 1, 2007 through June 30, 2008. The contract costs are fully financed using WIA RR funding.
4. Delegate authority to the Director of CSS, or designee, to enter into WIA subgrant agreements, in substantially similar form to Attachment B, after County Counsel approval as to form, with the five (5) RWGs listed on Attachment A for the total amount of \$564,830. This subgrant is consistent with the RWG Agreement previously approved and entered into by your Board on June 15, 2004.
5. Delegate authority to the Director of CSS, or designee, to execute RWG subgrant amendments to increase or decrease contract amounts based on contractor performance and availability of funding and/or increase the term of the subgrant agreement, after County Counsel approval as to form, provided that: a) the amount of change does not exceed 20% of the original contract amount; b) approval of County Counsel and the CAO are obtained prior to such amendment; and c) the Director of CSS confirms in writing to the Board of Supervisors and the CAO within 30 days after execution that such amendments have been executed. This action would assure full expenditures of funds and is consistent with the Board's policy requiring review of contractor performance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The County of Los Angeles has been designated by the State as a Local Workforce Investment Area (LWIA) for the purpose of administering WIA. For FY 2007-08, the County of Los Angeles anticipates an award of \$974,830 in annual WIA RR grant funds.

In addition, the recommended actions will provide CSS with the authority to accept FY 2007-08 RR funding and to execute the subgrant agreements to continue the RR services to employers and their impacted employees.

Implementation of Strategic Plan Goals

The recommended actions support the Countywide Strategic Plan Goals of Service Excellence and Organizational Effectiveness.

Performance Measures

Performance measures for the RR program are aligned with the County Performance Counts! Initiative. Performance outcomes to be tracked are

participant ratings of orientations conducted and the achievement of a timely response (within 24 hours) to those businesses/organizations in need of RR services.

GRAND TOTAL	\$974,830

There is no impact on the County general fund and funding has been included in the CSS FY 2007-08 Proposed Budget.

RWGs

A total of \$564,830 will be allocated to the RWGs for the provision of RR services.

Auditor-Controller Monitoring

A total of \$19,000 will be used for the FY 2007-08 program monitoring costs of the WIA Programs conducted by the Auditor-Controller as approved by the Board of Supervisors.

CSS Internal Program

A total of \$258,000 will be used for direct RR services (i.e., allowable and required activities), Contract Management, Reports and Data Maintenance, and Technical Assistance and Oversight. Rapid Response allowable activities include, but are not limited to: 1) identifying strategies to avert layoffs, 2) devising and overseeing strategies for layoff aversion and incumbent worker trainings, and 3) capacity-building activities to provide innovative and successful strategies for serving dislocated workers. RR-required activities include, but are not limited to: 1) immediate on-site contact with the employer to conduct planning meetings and orientations, 2) assess potential for layoff aversion, 3) the provision of information and access to unemployment compensation benefits and comprehensive One-Stop system services, and 4) the provision of emergency assistance.

CSS MIS

A total of \$7,000 will be used for the staff costs incurred during FY 2007-08 for the compilation of client data reports and performance for the WIB. This data includes individual client activities such as job training and classroom remediation as well as client demographic information and client outcome tracking.

CSS Administration

A total of \$98,000 will be used for administrative cost consistent with WIA federal and State regulations, which allow for salaries, employee benefits, services and supplies, and indirect costs.

CSS Program

A total of \$28,000 will be used for program costs incurred by CSS for providing program support costs.

FACTS AND PROVISIONAL/LEGAL REQUIREMENTS

The RWGs will provide WIA on-site RR services to employers and their impacted employees, unless the employers request that they be provided at a WorkSource Center. These services include planning meetings, assessing layoff aversion strategies, conducting orientations about re-employment services available at the WorkSource/One-Stop Centers, and coordinating Labor-Management/Workforce Transition Committees. Under a Memorandum of Understanding between the California Employer Support of the Guard and Reserve (ESGR), the WIB and CSS and the RWGs will also conduct RR orientations for guards and reservists returning from the active duty deployment. CSS will continue to administer the RR grant to provide direct services, in coordination with the RWGs as described herein, within the LWIA and the other LWIAs in the County of Los Angeles, in coordination with the seven (7) other WIBs.

Los Angeles County is the State subgrantee for the RR program. Los Angeles County is responsible for providing RR services to employers and their impacted employees that meet the provisions of the Worker Adjustment and Retraining Notification (WARN) Act within the LWIA. The California WARN Act mandates that companies/organizations notify State/local elected officials when downsizing or plant closures result in the displacement of 75 or more employees. The intent of the law is to serve businesses and allow jurisdictions to respond and help mitigate the impact. CSS will continue to provide services to address their needs, in compliance with new State regulations, through allocation of RR funds.

City of Compton – CareerLink WorkSource Center

In the June 20, 2006 Board letter, CSS indicated to your Board that it will evaluate the City of Compton's fiscal, programmatic and performance issues and if necessary would terminate the RWG agreement with the City of Compton if it is unable to provide a comprehensive corrective action plan and make substantial progress towards the resolution of these issues.

The City of Compton has since provided CSS with a corrective action plan that satisfies the majority of its outstanding compliance issues relating to prior years' findings. However, the City of Compton is currently under-performing in meeting recent expenditure and performance requirements.

At this time, CSS does not believe that these current issues warrant a recommendation to terminate the City of Compton's agreement. CSS will continue to provide technical assistance and training to the City of Compton to ensure that it meets the contract requirements and be in compliance with the WIA law and regulations.

CONTRACTING PROCESS

The WIB grandfathered all existing WorkSource Centers into the LWIA in accordance with the WIA, which allows the local board (WIB), chief elected official (Board of Supervisors) and the Governor to approve the continuance of one-stop operators in a One-Stop Delivery system established prior to the enactment of WIA.

On June 15, 2004, your Board approved the RWG Agreement, a non-financial agreement between the RWGs, the WIB, and the County, which provides that an annual subgrant of WIA funds will be awarded to each RWG pursuant to the same funding formula through which the State allocates funding to the County. The recommended action will include FY 2007-08 RR funds in the annual subgrants with the five RWGs in accordance with their respective RWG Agreements with the County. The five RWGs being recommended for funding serve all five Supervisorial Districts.

Monitoring Requirement

Beginning with FY 2003-04, CSS contracted with the Auditor-Controller's office to conduct fiscal and contract compliance monitoring of all of its contractors within the Workforce Development Branch. CSS is responsible for ensuring, through its resolution process, that the reported monitoring findings are resolved and training is provided to our contractors, if necessary, and/or program policies are developed.

Attachment C provides information about each RWG's status with regard to minority- and women-owned business enterprises.

The Los Angeles County WIB approved these recommendations.

IMPACT ON CURRENT SERVICES OR PROJECTS

The recommended actions will allow for the continued provision of RR services in FY 2007-08, in compliance with new State regulations, to assist businesses in distress and ensure retention of private sector jobs within Los Angeles County.

Respectfully submitted,

Cynthia D. Banks
Director

- 6.1 Unless otherwise provided for in this Section 6.0, property refers to all assets, capitalized or non-capitalized, used in operation of this Contract. Property that is capitalized is referred to as property, plant, and equipment. Property includes land, buildings, improvements, machinery, vehicles, furniture, tools, intangibles, etc. Property does not include consumable office supplies such as paper, pencils, typing ribbons, file folders, etc.
- 6.2 Property meeting all of the following criteria is subject to the capitalization requirements. Such property must:
 - 6.2.1 Have a normal useful life of at least one (1) year.
 - 6.2.2 Have a unit acquisition cost of at least \$5,000 (e.g., four identical assets, which cost \$3,000 each, for a \$12,000 total would not meet this capitalization requirement); and
 - 6.2.3 Be used to conduct business under this Contract.
 - 6.2.4 As used in this Contract, the term "equipment" shall refer only to capitalized property.
- 6.3 Noncapitalized property are those items which do not meet all three (3) requirements in Sub-section 6.2 above.
- 6.4 Additions, improvements, and betterments to assets meeting all of the conditions in Sub-section 6.2 above must be capitalized. Additions typically involve physical extensions of existing units. Improvements and betterments typically do not increase the physical size of the asset. Instead, improvements and betterments enhance the condition of an asset (e.g., extend life, increase service capacity, and lower operating costs). Examples of assets that might be improved and bettered include roads, bridges, curbs and gutters, tunnels, parking lots, streets and sidewalks, drainage, and lighting systems.
- 6.5 Intangibles are property which lack physical substance but give valuable rights to the owner and can be capitalized or non-capitalized. Examples of intangible property include patents, copyrights, leases, and computer software. By contrast, hardware consists of tangible equipment (e.g., computer printer, terminal, etc.). Costs include all amounts incurred to

acquire and to ready the intangible asset for its intended use. Typical intangible property costs include the purchase price, legal fees, and other costs incurred to obtain title to the asset.

The CONTRACTOR shall submit to COUNTY, upon request and annually with the Expenditure Closeout Report, a current inventory of property furnished or purchased by the CONTRACTOR with funds awarded under the terms of this Contract or any predecessor agreement for the same purpose. CONTRACTOR shall maintain an annual inventory of property furnished or purchased by the Subcontractor with funds awarded under the terms of this Contract or any predecessor agreement for the same purpose. The CONTRACTOR shall reference Exhibit F, Attachment XV, "Fixed Assets/Equipment Purchase Requirements" document and use Exhibit F, Attachment XVI, "Inventory Control Form" to report property to the COUNTY.
- 6.8 Prior to disposal of any property purchased by CONTRACTOR with funds from this Contract or acquired by CONTRACTOR under any predecessor agreement for the same purpose, CONTRACTOR must obtain approval from COUNTY regardless of the acquisition value. Disposition, which includes sale, trade-in, discarding, or transfer to another agency may not occur until approval is received from COUNTY. CONTRACTOR shall reference Exhibit F, Attachment XV, "Fixed Assets/Equipment Purchase Requirements" to dispose of property.
- 6.9 CONTRACTOR shall immediately report the loss, destruction, or theft of property purchased with funds from this Contract or acquired by CONTRACTOR under any predecessor agreement for the same purpose to COUNTY upon notice that such event has occurred. CONTRACTOR shall promptly investigate and fully document the loss,

destruction, or theft of such property. Such documentation shall be provided to COUNTY within five (5) days following such loss, destruction, or theft and should be mailed to the attention of CMM at: County of Los Angeles Community and Senior Services, Contracts Management Division, 3175 West Sixth Street, Box 24, Los Angeles, CA 90020.

- 6.10 The COUNTY reserves title to all grant-purchased or financed property not fully consumed in the performance of this Contract, unless otherwise required by Federal law or regulations or as otherwise agreed by the parties.
- 6.11 CONTRACTOR shall exercise due care in the use, maintenance, protection, and preservation of property purchased with funds from this Contract or acquired by CONTRACTOR under any predecessor agreement for the same purpose during the period of the project, and shall assume responsibility for replacement or repair of such property during the period of the project, until the CONTRACTOR has complied with all written instructions from the COUNTY regarding the final disposition of the property.
- 6.12 In the event of CONTRACTOR'S dissolution or upon termination of this Contract, CONTRACTOR shall provide a final property inventory to COUNTY. COUNTY reserves the right to require CONTRACTOR to transfer such property to another entity, including but not limited to the COUNTY or the State.
- 6.13 To exercise the above right, no later than 140 days after termination of the Contract or notification of the CONTRACTOR'S dissolution, COUNTY will issue specific written disposition instructions to CONTRACTOR.
- 6.14 CONTRACTOR shall use property purchased with funds from this Contract, or acquired by CONTRACTOR under any predecessor agreement for the same purpose, for the purpose for which it was intended under the Contract. When no longer needed for that use, CONTRACTOR shall use it, if needed, and with written approval of COUNTY for other purposes in this order:
 - 6.14.1 Another program providing the same or similar service; or
 - 6.14.2 State/Federally-funded program.
- 6.15 CONTRACTOR may share use of the property and equipment or allow use by other programs, upon written approval of COUNTY. As a condition of the approval, COUNTY may require reimbursement under this Contract for its use.

- 6.16 CONTRACTOR shall not use equipment or supplies acquired under this Contract with Federal and/or State monies for personal gain or to usurp the competitive advantage of a privately-owned business entity.
- 6.17 If purchase of equipment is a reimbursable item, the equipment to be purchased will be specified in the Budget.
- 6.18 Any vehicles purchased with grant funds received through the COUNTY in previous contract years and which are currently in the possession of CONTRACTOR shall be registered in the name of CONTRACTOR only.

- 14.1.1.4 CONTRACTOR'S violation of this Section 14.0 of this Contract may constitute a material breach of this Contract. In the event of such material breach, COUNTY may, in its sole discretion, terminate this Contract and/or bar CONTRACTOR from the award of future COUNTY contracts for a period of time consistent with the seriousness of the breach.

CONTRACTOR agrees to instruct all employees with State information access regarding the confidentiality of this information, and the sanctions against unauthorized use, and the California Unemployment Insurance Code (Section 2111). CONTRACTOR agrees to store and process information electronically, in a manner that renders it irretrievable by unauthorized computer, remote terminal, or other means. 43.0 INDEPENDENT CONTRACTOR STATUS

43.1 This Contract is by and between COUNTY and CONTRACTOR and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between COUNTY and CONTRACTOR. 43.2 CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. COUNTY shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of CONTRACTOR.

46.2.1 Deduct from the CONTRACTOR's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or

46.2.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the CONTRACTOR to correct a deficiency within the specified time frame. Said amount shall be deducted from the COUNTY's payment to the CONTRACTOR; and/or

46.2.3 Upon giving five (5) Days notice to the CONTRACTOR for failure to correct the deficiencies, the COUNTY may correct any and all deficiencies and the total costs incurred by the COUNTY for completion of the work by an alternate source, whether it be COUNTY forces or separate private contractor, will be deducted and forfeited from the payment to the CONTRACTOR from the COUNTY, as determined by the COUNTY.

46.3 The action noted in Sub-section 46.2 shall not be construed as a penalty, but as adjustment of payment to the CONTRACTOR to recover the COUNTY cost due to the failure of the CONTRACTOR to complete or comply with the provisions of this Contract.

46.4 This Sub-section shall not, in any manner, restrict or limit the COUNTY's right to damages for any breach of this Contract provided by law or as specified in the PRS or Sub-section 46.2, and shall not, in any manner, restrict or limit the COUNTY's right to terminate this Contract as agreed to herein.

 - 47.4.3 Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-Responsibility and Contractor Debarment).
- 47.5 The above penalties shall also apply if CONTRACTOR is no longer eligible for certification as a result in a change of their status and CONTRACTOR failed to notify the State and COUNTY'S Office of Affirmative Action Compliance of this information.

48.0 MANDATORY REQUIREMENT TO REGISTER ON COUNTY'S WEBVEN

CONTRACTOR represents and warrants that it has registered in COUNTY'S WebVen. Prior to a contract award, all potential contractors must register in COUNTY'S WebVen. The WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing COUNTY'S home page at http://lacounty.info/doing_business/main_db.htm. (There are underscores in the address between the words 'doing business' and 'main db').

50.0 NEPOTISM

CONTRACTOR certifies that it shall not hire nor permit the hiring of any person in a position funded under this Contract if a member of the person's immediate family is employed in an administrative capacity by CONTRACTOR. For the purpose of this Section, the term "immediate family" means spouse (common law or otherwise), child, mother, father, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, step-parent, step-child, or such other relationship which would give rise to a substantial appearance of impropriety if the person were to be hired by CONTRACTOR. The term "administrative capacity" means persons who have

overall administrative responsibility for a program, including but not limited to selection, hiring, or supervisory responsibilities.

51.0 NON-DISCRIMINATION AND AFFIRMATIVE ACTION

- 51.1 CONTRACTOR certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies, are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

- 51.6 CONTRACTOR shall allow COUNTY representatives access to CONTRACTOR'S employment records during regular business hours to verify compliance with the provisions of this section when so requested by COUNTY.
- 51.7 If COUNTY finds that any of the above provisions have been violated, such violation shall constitute a material breach of contract upon which

COUNTY may determine to suspend or terminate this Contract. While COUNTY reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Opportunity Commission or the Federal Equal Employment Opportunity Commission that CONTRACTOR has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by COUNTY that CONTRACTOR has violated the anti-discrimination provisions of this Contract.

51.8 The parties agree that in the event CONTRACTOR violates any of the anti-discrimination provisions of this Contract, COUNTY shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

County shall inform the Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Contractor's defense and settlement thereof.
- 58.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:
- 58.2.1 Procure for County all rights to continued use of the questioned equipment, part, or software product; or

- 58.2.3 Modify the questioned equipment, part, or software so that it is free of claims.

Within ten (10) working days from the date of the Notice of Suspension, CONTRACTOR shall reply in writing, setting forth the corrective action(s) which will be undertaken, subject to COUNTY'S approval in writing. Failure to reply in accordance with this section may result in termination by COUNTY of all or part of this Contract.

71.0 TERMINATION FOR CONTRACTOR'S DEFAULT

71.1 COUNTY may, by written notice to CONTRACTOR, terminate the whole or any part of this Contract, if, in the judgment of COUNTY'S Contract Management Manager:

71.1.1 CONTRACTOR has materially breached this Contract;

71.1.2 CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or

71.1.3 CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as COUNTY may authorize in writing) after receipt of written notice from COUNTY specifying such failure.

71.2 In the event COUNTY terminates this Contract in whole or in part as provided by Sub-section 71.1, COUNTY may procure, upon such terms and in such manner, as COUNTY may deem appropriate, services similar to those so terminated. CONTRACTOR shall be liable to COUNTY for any and all excess cost incurred by COUNTY, as determined by COUNTY, for such similar goods and services. CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this Section 71.0.

- 71.3 Except with respect to defaults of any Subcontractor, CONTRACTOR shall not be liable for any such excess costs of the type identified in Sub-section 71.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of COUNTY in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of CONTRACTOR. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without the fault or negligence of either of them, CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to meet the required performance schedule. As used in this Sub-section 71.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.
- 71.4 If, after COUNTY has given notice of termination under the provisions of this Section 61.0, it is determined by COUNTY that CONTRACTOR was not in default under the provisions of this Section 71.0 or that the default was excusable under the provisions of Sub-section 71.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Part II, Section 72.0, Termination for Convenience.
- 71.5 In the event COUNTY terminates this Contract in its entirety due to CONTRACTOR'S default as provided in Subsection 71.1, CONTRACTOR and COUNTY agree that COUNTY will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, COUNTY'S costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, CONTRACTOR and COUNTY agree that COUNTY shall, at its sole option and in lieu of the provisions of Sub-section 71.2, be entitled to liquidated damages from CONTRACTOR, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to COUNTY for such actual damages. This amount of liquidated damages shall be either paid by CONTRACTOR to COUNTY by cash payment upon demand or, at the sole discretion of COUNTY, or designee, deducted from any amounts due to CONTRACTOR by COUNTY, whether under this Contract or otherwise.

71.5.1 These liquidated damages shall be in addition to any credits, which COUNTY is otherwise entitled to under this Contract, and CONTRACTOR'S payment of these liquidated damages shall not in any way change, or affect the provisions of Part II, Section 42.0, Indemnification.

71.6 The rights and remedies of COUNTY provided in this Section 71.0 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

72.0 TERMINATION FOR CONVENIENCE

72.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by COUNTY or CONTRACTOR, in its sole discretion, to be in COUNTY or CONTRACTOR'S best interest. Termination of work hereunder shall be effected by Notice of Termination to CONTRACTOR or COUNTY. The date upon which such termination becomes effective shall be no less than thirty (30) business days after the notice is sent. Notice of Termination from either party shall specify the extent to which performance of work is terminated and the date upon which such termination becomes effective.

72.2 If Contract is terminated by COUNTY, the CONTRACTOR shall:

72.2.1 Stop work under this Contract on the date and to the extent specified in such notice;

72.2.2 Complete performances of such part of the work as shall not have been terminated by such notice; and

72.2.3 Adhere to COUNTY'S transition plan as determined by COUNTY.

72.3 If the Contract is terminated for convenience by CONTRACTOR, CONTRACTOR shall provide COUNTY with a transition plan to be approved by COUNTY. CONTRACTOR shall adhere to said transition plan.

72.4 All material including books, records, documents, or other evidence bearing on the costs and expenses of CONTRACTOR under this Contract shall be maintained by CONTRACTOR in accordance with Part II, Section 65.0, "Record Retention and Inspection/Audit Settlement".

73.0 TERMINATION FOR IMPROPER CONSIDERATION

- 73.1 COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to CONTRACTOR'S performance pursuant to this Contract. In the event of such termination, COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.
- 73.2 CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 73.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

74.0 TERMINATION FOR INSOLVENCY

- 74.1 COUNTY may terminate this Contract forthwith in the event of the occurrence of any of the following:
- 74.1.1 Insolvency of CONTRACTOR. CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not CONTRACTOR is insolvent within the meaning of the Federal Bankruptcy Code;
- 74.1.2 The filing of a voluntary or involuntary petition regarding CONTRACTOR under the Federal Bankruptcy Code;
- 74.1.3 The appointment of a Receiver or Trustee for CONTRACTOR; or
- 74.1.4 The execution by CONTRACTOR of a general assignment for the benefit of creditors.

74.2 The rights and remedies of COUNTY provided in this Section 74.0 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

75.0 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

CONTRACTOR and each COUNTY lobbyist or COUNTY lobbying firm, as defined in COUNTY Code Section 2.160.010, retained by CONTRACTOR, shall fully comply with COUNTY'S Lobbyist Ordinance, COUNTY Code Chapter 2.160. Failure on the part of CONTRACTOR or any COUNTY lobbyist or COUNTY lobbying firm retained by CONTRACTOR to fully comply with COUNTY'S Lobbyist Ordinance shall constitute a material breach of this Contract upon which COUNTY may, in its sole discretion, immediately terminate or suspend this Contract.

76.0 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Contract during any of COUNTY'S future fiscal years unless and until COUNTY'S Board of Supervisors appropriates funds for this Contract in COUNTY'S Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

77.0 TERMINATION OF PROGRAM OR MODIFICATION

In the event the Program is terminated for any reason, COUNTY may terminate this Contract without further liability for services yet to be rendered. Further, should the Program be modified so that funds are reduced and/or the scope of services is changed, COUNTY may modify this Contract accordingly. Termination or modification pursuant to this section shall be effective on the date notice is posted to CONTRACTOR.

78.0 USE OF COUNTY SEAL AND CSS DEPARTMENT LOGO

CONTRACTOR shall not use or display the official seal of the COUNTY or the logo of CSS on any of its letterheads or other communication with any debtor, or for any other reason unless each form of usage has prior written approval of the Los Angeles County Board of Supervisors.

79.0 USE OF FUNDS

All uses of funds paid to CONTRACTOR and other financial transactions related to CONTRACTOR'S provision of services under this Contract are subject to

review and/or audit by CSS, COUNTY'S Auditor-Controller or its designee, and the State of California. In the event this Contract is subject to audit exceptions, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR'S liability for such audit exceptions, as determined by CSS, upon demand by COUNTY.

80.0 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

81.0 WAIVER

No waiver by COUNTY of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of COUNTY to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Section 70.0 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

RAPID RESPONSE REGIONAL WORK GROUP

Overview

The Workforce Investment Act (WIA) Rapid Response (RR) RR system's role is to support the economy by:

- Assisting workers to quickly return to productive positions in the labor force
- Assisting employers to explore alternatives to layoffs through human resource solutions and through the transition process
- Reducing the economic and social burdens that unemployment presents to employers, workers and the community
- Assessing the potential for averting layoffs by providing timely and pertinent information to anticipate and profit from economic development opportunities
- Identifying/developing prospective strategies to avert and/or mitigate the impact of potential downsizing, restructuring and/or imminent plant closures

The Worker Adjustment and Retaining Notification (WARN) Act mandates companies experiencing a layoff of seventy-five (California WARN) or more employees to notify the State and the local elected official. (Note: Federal regulations define WARN dislocations as 100 employees being affected). The Los Angeles County Board of Supervisors (BOS) is the local elected official for the County of Los Angeles local Workforce Investment Area. As its workforce program administrator, Community and Senior Services (CSS) is the repository for the County's WARNs and is thus notified by the State when a WARN is received. This process serves to prepare local jurisdictions to brace for the impact that closures have on the local economy. CSS staff responds to WARNs, working with employers to ease the transition of its workforce facing eminent dislocation.

The Regional Work Groups (RWGs) shall transition into the provision of direct RR services. This responsibility includes the ability to respond within 24 hours throughout the County of Los Angeles and to accommodate all the work hour shifts, including day, evening and night shifts. The intent is to be responsive to the companies' needs and working around their employees' work schedules, rather than having them adapt to WSC/RWGs' work schedules. The process and the response time of the affected companies often dictate this short notice, particularly when mass layoffs, permanent business closures, or natural and other disasters are involved. CSS should be advised of any potential dislocation that comes to the notice of the RWGs or through other channels. This will cover the instance where a company may have a non-WARN dislocation (under 75 employees within a sixty day period), or the company has failed to file a WARN or has sent a notification to another chief elected official, in lieu of the BOS.

RR orientations involve coordinating with EDD and Department of Labor (DOL) to inform impacted workers of unemployment insurance benefits, job services, Trade Adjustment Act (TAA), and COBRA, as well as sharing information about resources and services available through the WorkSource/One-Stop system to meet employee needs. Such needs include providing alternative job opportunities, providing skills enhancement training or assessments to identify transferable skills, and financial counseling/planning.

A. Rapid Response Activities:

- 1) Assessment – Conduct on-site visits/planning meetings with the employer. Representatives of the affected workers and the local community may be present. The assessment may include: employer's layoff plans and scheduled layoff dates; an analysis of the potential of averting the layoff; development of reemployment prospects for workers in the local community; and, linking of affected workers with all available resources to meet their short and long-term assistance needs.
- 2) Establishment of Labor Management Committees - The committee is voluntarily agreed to by the management and labor sectors. It serves to devise a plan and an implementation strategy that addresses the reemployment needs of the affected workers. The RWG will provide guidance and/or financial assistance as necessary to the committee and to employer/employees throughout the dislocation process. Facilitating the establishment of the committee does not imply performing the work involved, such as negotiation between the parties.
- 3) Providing Information about WorkSource Centers Services – Coordinate with the WorkSource/One-Stop system to disseminate information to impacted workers on services available to assist them with developing a successful resume, enhancing interviewing techniques and job searches skills, accessing the hidden job market, gaining access to Job Clubs, accessing available resources, and maintaining a positive attitude. Disseminating information as an RR function does not imply the provision of services as a WorkSource or One-Stop Center.
- 4) Providing Orientations on Industry Specific Training Opportunities – Provide orientations (on-site, group activities) to impacted workers to assess transferable skills. Coordinate access to various training opportunities and training programs that will help successfully transition the impacted worker to other in demand jobs and industries that are on the rise. Explore customized training opportunities through the WorkSource Center/RWG workforce development system and other available resources through the State and/or other funding organizations that can be leveraged to benefit the impacted organization.

- 5) In the case where lay off aversions strategies are needed, and there is sufficient time to implement them, then a planning meeting with the business and relevant agencies will be coordinated to create an intervention strategy to avoid business closure/layoffs. This plan will include (at minimum) intervention efforts to be used, timelines and responsible parties. Examples of relevant agencies include economic development corporations, Small Business Development Centers and other civic, auxiliary and financial planning entities. Follow-up with the business to ensure that the plan is being implemented. The RWG is required to report results in the summary report to CSS for reporting to the state.

B. General Requirements

- 1) Respond to need for RR services within 24 hours of being notified by the County.
- 2) RR services begin with a planning meeting between RR providers (CSS and RWG), employer or management representative, and union representatives (if applicable). Provide employer with appropriate referrals and assistance, i.e. layoff aversion, EDD, Trade Adjustment Assistance (TAA) and referrals to other workforce partners, and community and government services, such as Small Business Development Centers and Los Angeles Economic Development Corporation.
- 3) Provide businesses and RR participants with appropriate and relevant materials to accompany the activities and services being provided which are in keeping with and approved by the WIB as per the Marketing Directive. Continuity within the RR system is important. RWGs will be provided with excess marketing materials that they can use until the County's supply is exhausted. Thereafter, RWGs will be obliged to replenish these materials.
- 4) Describe WorkSource Center services, which include:
 - a) Hiring - Employment listings, job banks, pre-screened qualified candidates
 - b) Training - Customized training sessions for new or incumbent employees
 - c) Tools - Free, full-service technical center, including computer, Internet, fax, copier and telephone access
 - d) Workshops or seminars on critical employment themes, resume writing, job search strategies and interviewing techniques
 - e) Counseling - Personalized career counseling and planning.
- 5) Distribute the RR survey to participants, assist participants in selecting their choice of WorkSource or One-Stop Center and return completed surveys to CSS.

- 6) Distribute the evaluation forms to RR participants after conducting an orientation and return the completed evaluations to CSS. Copies of their dated, sign-in sheets with employee signatures, with employer identified on each sign-in sheet.
- 7) Provide a brief summary report of activities undertaken, containing a list of services rendered and information on referrals made and the contact persons of the business and WorkSource Center, etc. If an intervention strategy or lay off aversion plan was undertaken, provide a description.
- 8) Remain current and comply with all Federal WIA regulations and State directives as well as Community and Senior Services (CSS) directives.

C. Invoice Process:

In keeping with state regulations, it is important that expenditures be tracked carefully and that supporting documents accompany each invoice to avoid disallowed costs. The following documents are required with each invoice:

- 1) Timesheets of staff performing RR services
- 2) List of activities performed
- 3) Employer profiles (one for each employer)
- 4) RWG 121 forms (one for each planning meeting, orientation or workshop)
- 5) Orientation sign-in sheets (employee signatures)
- 6) RR Surveys (referral if employees to WSCs)
- 7) RR Evaluation (customer satisfaction forms to be completed at the end of the orientation by the impacted worker or by the business after the business service)
- 8) Intervention Strategy Plan (when applicable)
- 9) E-mails, correspondence, phone logs, etc

D. Performance Expectation:

Funding priority requires the RWG to serve all companies officially filing “WARN” notices. Consequently RWGs are encouraged to plan accordingly for the entire PY based on the allocation provided and projected companies filing WARN and Non-WARNs in previous years. Activities must take into account:

- 1) 100% of WARN RR participants must be served.
- 2) WARN takes priority over non-WARN.
- 3) RWGs are free to coordinate with each other. Since the state does not allow for two jurisdictions to take credit for the same WARN, the RWG that CSS designates to serve the company will be identified as the primary service provider for purposes of reporting activities to the State.

- 4) Given the State and Chief Elected Official/Board of Supervisors' requirement for timely responses and provision of effective services to companies seeking RR services, RWGs must have staff available during a 24-hour period to respond to the notice of a company requiring services.
- 5) Failure to serve a WARN employer will result in a warning. A second failure will result in suspension and a recommendation to the BOS to reallocate funding. This is critical in order to assure that companies are served.
- 6) Small Business Assistance (layoff aversion) when applicable.

E. Worker Adjustment Retraining Notification (WARN) Process:

CSS:

- 1) CSS receives a WARN (or a non-WARN) from the BOS, the State or directly from the company, from the RWG, or a referral from another source.
- 2) CSS will verify that the company lies within the RWG area of service.
- 3) CSS will contact the appropriate RWG via email once the company has been notified and a planning meeting has been set,
- 4) CSS will contact the EDD, and, if necessary, DOL, to attend the planning meeting.
- 5) In consort with RWGs, CSS will arrange the orientation dates and times with the employer. Although consideration will be given to work around Company, RWG, CSS schedules, the Company's needs will prevail at time of conflicts.
- 6) CSS will complete the Employer Profile and make it available to the RWG prior to the planning meeting.
- 7) CSS will fill out that information gleaned from the initial contact with the company on the RWG 121, assign a WARN number identifying the company through the period that they receive services, and forward the partially filled out RWG 121 form to the RWG for final completion.
- 8) If the company lies outside of RWG service area, CSS will contact
 - a) The first RWG on an alphabetical list, and
 - b) The appropriate WIB (Carson Lomita Torrance WIN, City of Los Angeles, Long Beach WIB, SELACO, South Bay WIB or Verdugo WIB) via e-mail or fax, following up by telephone, if necessary
- 9) When the next company outside of the RWG service area is received, the second RWG on the alphabetical list will be contacted, and so on.
- 10) CSS will alert the State that the WARN has been forwarded to the appropriate RWG and WIB and send the 121 form to the State.

RWGs:

- 11) RWGs must respond when alerted about a company requiring RR services.
- 12) RWGs will accompany CSS to all planning meetings.
- 13) If the RWG becomes aware of a non-WARN, the RWG shall advise CSS immediately upon learning of a non-WARN and the same procedures will be followed.
- 14) The RWG will e-mail the completed RWG 121 form to CSS upon completion of the orientation.

- 15) Through the on-site orientation, the RWG offers access to unemployment compensation benefits, information on the Trade Adjustment Assistance (TAA) program and comprehensive WorkSource/One-Stop system services, i.e. employment and training activities and business services.

F. Allowable vs. Required RR Activities:

On June 14, 2006, the State re-issued directive number WIAD04-9, as WIAD05-18, Dislocated Worker 25% Funding Policy, which placed an emphasis on the leveraging of local resources, specifically with local WorkSource/“One-Stop” Centers and linking these services with regional RR activities. The revised directive continues to clearly delineate required and allowable activities to be conducted under the program, and defined activities that are prohibited (many of which previously were allowed). The revised directive allows LWIAs to utilize formula-allocated RR funds to include employer outreach and job development activities directly related to training for eligible individuals authorized by WIA regulations Section 667.262(b). However, EDD stressed that these alternative uses of RR funds for allowable activities, including those covered by Section 667.262(b), do not mitigate the fact that it is the State’s policy priority that the full scope of required RR activities, as described in WIA regulations Section 665.310, must be provided in each local area. This directive provides the RWGs specific information that delineates the state’s position on what they consider required and allowable activities according to the Federal regulations. These activities include the following:

<i>REQUIRED ACTIVITIES</i>	<i>ALLOWABLE ACTIVITIES</i>
Immediate and on-site contact with the employer, representatives of the affected workers and the local community	Develop strategies for aversion of layoffs, for addressing dislocation events and develop and maintain mechanisms for exchange of information regarding dislocation events and RR strategies
Assess layoff plans and employers’ schedule, potential for averting layoffs, needs of workers, reemployment prospects, and available resources to meet needs of affected workers	In collaboration with appropriate State agencies, collect and analyze information related to economic dislocations, including potential closings/layoffs and available resources for dislocated workers to provide effective program management, review and evaluation of RR and layoff aversion efforts in the State
Provision of information and access to unemployment benefits, One-Stop system services, and employment & training activities and information on the TAA & NAFTA programs	Participate in capacity building activities, including providing information about innovative and successful strategies for serving dislocated workers with other local areas serving smaller layoffs

Provision of guidance and/or technical assistance in establishing labor-management committees	Assist in devising and overseeing strategies for layoff aversion, incumbent worker trainings, and linkages with economic development activities at the federal, State and local levels
Provision of emergency assistance adapted to particular closing, layoff or disaster	Attending Regional Roundtable meetings and related conferences
Provision of assistance to the local board and chief elected officials to develop a coordinated response to a dislocation event, including an NEG and access to State economic development assistance	Collaborating with EDD/LMID to research business activity
Providing access to CalJOBS and SkillsMatch on-site, using companies' facility	Employer outreach activities directly related to training for eligible individuals (reference directive #WIAD05-18 for full description of allowable activities)
Enabling affected workers to register, on-site, with local One-Stop centers	Job development activities directly related to training for eligible individuals (reference directive #WIAD05-18 for full description of allowable activities)

Prohibited activities under RR program include:

- Conducting layoff aversion strategies for employer
- Conducting employment generated activities, economic development and other similar activities *unless* they are directly related to training for eligible individuals
- Conducting job search assistance and business services workshops
- Conducting interview technique workshops
- Conducting resume writing workshops
- Training affected workers to upgrade skills for another position in the company
- Completing Unemployment Insurance applications
- Having job fair or information expo *not* at the dislocation event
